

CCSCA SENIORS OF THE MONTH

CALI ROSE

&

THE CC STRUMMERS

The Culver City Senior Citizens Association is very pleased to honor Cali Rose & The CC Strummers as our Seniors of the Month for January 2017

The CC Strummers Community Outreach

CALI ROSE & THE CC STRUMMERS are taking ukulele joy and aloha spirit to our communities. Besides performing shows that feature 60+ ukulele players at The Culver City Senior Center and Fiesta La Ballona, The CC Strummers are doing smaller shows, too.

Their players are collaborating with the **Mattel Children's Hospital** a UCLA, singing and playing for the kids, families and staff. They also donate ukuleles to the children so they can learn to play while they are in the hospital and eventually take their ukes home.

The CC Strummers perform regularly at **Opica Adult Day Care Center** in West Los Angeles, bringing their eclectic mix of songs to the seniors and staff.

Students at **Mar Vista Middle School** are a lucky bunch because several CC Strummers have purchased ukuleles and offer a ukulele class at the school once a week. The kids are loving it!

Music heals the heart and brings people together. The CC Strummers are doing their part to make this world a sweeter place for all of us. What wonderful ambassadors from our Senior Center to our community!
